

## **IMPORTANT NOTICE**

### **PRESCRIPTION ORDERING**

The Fountain Medical Centre is now transmitting prescriptions electronically to each patient's dedicated pharmacy for the majority of medication requests. This is to ensure that prescriptions are dispensed quickly and safely and should be easier for patients.

In order to streamline prescription requests, prevent errors and ensure absolute patient safety the repeat prescriptions telephone line (01636 673646) will cease on **30<sup>th</sup> JUNE 2014**.

You will still be able to order prescriptions via our **ON LINE SERVICE** or by sending in your repeat slip.

Please also consider the free ordering service offered by your pharmacy.
